PAYMENT OF FEES AND LEVIES

School fees and levies are billed annually, in November, (pro rata if mid-year commencement) for the following year. Payment is by ten (10) monthly direct debit instalments (February to November) processed from a nominated bank account on the 5th of each month. Fees unpaid by the due date will attract an administration charge of \$25 per week overdue.

Fees and levies are payable for the whole year of enrolment. No deduction can be made due to non-attendance for any reason. Leave will not be granted on a no-fee basis. Any credits for School Support Hours are recognised at the end of each Term and are applied to the next monthly direct debit instalment.

BUILDING FUND TAX DEDUCTIBLE DONATIONS

We appreciate the support of all our families to the ongoing development of our School through tax-deductible donations to our Building Fund. These contributions are applied to capital works, building improvements and maintenance and are voluntary with donations of \$2 or more being tax deductible in Australia. Annual receipts are issued in July. Suggested amount of \$100 per monthly instalment.

CHILD CARE SUBSIDY AND START STRONG FEE RELIEF

Families with children that attend OOSH, Vacation Care or Montessori Home Environment may be eligible to receive Child Care Subsidy ("CCS") from the Australian Government. Parents are responsible for assessing their eligibility for CCS. All CCS payments received by NMS are applied to family accounts on receipt. All Preschool aged children will receive Start Strong Fee Relief up to \$4,347 for the year based on period of enrolment.

The cost for these activities is additional and is paid directly to the provider. Full details including contact details for co-curricular providers can be obtained from the School Office.

WITHDRAWAL FROM SCHOOL

With the exception of a student leaving in Year 6, the withdrawal of a student from the school requires, at least, one (1) full term's notice, to expire at the end of a term. A term's notice is regarded as being from the last school day of the preceding school term.

To ensure proper planning, the withdrawal of a student leaving at the end of Year 6 (Cycle 3) requires an extended notice period of at least three (3) full terms' notice, to be given by the end of Term 1.

Notice must be given to the Principal, in writing. If the required notice of withdrawal is not given to the Principal, one (1) school term's fee is payable in lieu of the required notice.

DETERMINATION OF FEES

The School reserves the right to update and change the fees, levies and charges, as determined by the School Board, and at such times this will be communicated to families. The aim is to keep fees, levies and charges affordable to families who desire Montessori education for their children.
